

Housing & Mental Health MOU Information Sessions

You are invited to attend one (or more if you want) of these Information & Training sessions being held jointly for housing and mental health workers

This useful session aims to:

- Introduce participants to the Memorandum of Understanding (MOU) between Mental Health & Housing and how it applies to both agencies
- Explain the referral processes, and
- Provide an opportunity for your Co-op or Association representative to network and build relationships with mental health and housing workers in your local area

These Information Sessions are scheduled during October & November in various locations. Please see over for details & note that you can also register for future sessions specifically for Housing Associations & Co-operatives

Please contact Anna, Kylie or Teena in Learning & Development on 8207 0171 to book your place or book on-line at www.communityhousing.sa.gov.au or email us at communityhousinged@dfc.sa.gov.au
